

Western Alliance will give your computer a second life!

We will recycle and refurbish donated equipment to benefit people with significant disabilities, the environment and your local community!

You can donate your computer equipment before Friday and get a tax deduction before the year ends or bring it to the recycling event this Saturday from 10:00am – 2:00pm.

Equipment can also be dropped off at Western Alliance Monday through Friday 8:30am – 5:00pm.

For more information or directions, call us and donate your equipment today!

828-298-1977

THANK YOU!!
